10 cancelled her dental appointments which are emergencies, stole her US mail letters to  
11 prolong the time stolen from her. Plaintiff disconnected and has No phone as a result.  
12 All described in the complaint personal injuries/property damages stolen/damaged/  
13 destroyed/trashed everything from her again like in 1992 are a result of illegal  
14 involvement of the public/police which should never happen. Defendant had to prevent  
15 and to stop this involvement as we talked and had agreement before Magdalina to  
16 come here. Jesse illegally involved the public to avoid financial responsibility under I-  
17 864 and to avoid divorce modification, to avoid STOLEN LIFE 67 YEARS TORT.  
18 Unlike other women who were not married, I came married with professional degree,  
19 and protected by two contracts and federal contract I-864 they still violate. I would like
